Welcome to Thrivr

Thrivr is a dynamic software company providing innovative, technology-driven solutions designed to empower organisations and help their teams thrive. Our platform offers a range of customisable tools to support a flexible workforce, driving growth and productivity in today's fast-paced world.

From savings and benefits to health, wellbeing, financial services, and protection, Thrivr brings everything together in one place. Through our strategic partnerships, we deliver integrated, in-app discounts using our secure payment facility.

One platform. Endless daily advantages.

With an FCA regulated firm as part of our group, we offer access to in-house Health Cash Plans, Personal Accident, Protection, and more. Available across iOS, Android, and Web, our stylish and customisable services enable businesses to attract, retain, and reward their diverse teams.

Designed for businesses of all sizes, Thrivr's platform aligns with your industry, workforce, and brand, offering meaningful perks that people actually use.

Holistic everyday support,
all in one place.

Perks Ecosystem
