

# SAVE MONEY ON YOUR FUEL

Save money with a free discount fuel card with average savings of 6.5p per litre. Gain convenient access to one of the country's largest refuelling networks.

With the rising cost of living set to continue, it's paramount that we find ways to save money. That's why through our brand-new partnership, you can now benefit from a FREE Discount Fuel Card which offers savings on diesel for individuals, and both petrol and diesel for businesses.

To register for a free fuel card or to find out more, open your app today and explore the money section.

## WHY CHOOSE A UK FUEL CARD

-  **6.5p Per Litre Average Savings** - Save on fuel against standard UK pump prices
-  **Flexibility** - Choose between a Pre-Paid account or a 7-day credit account
-  **4,300 Stations Nationwide** - Across major brands and supermarket pumps
-  **Individual accounts** cover diesel, while **business accounts** cover both petrol and diesel
-  **Complete Control** - Receive a single, tax-accepted weekly invoice outlining all transactions
-  **1% Fuel Back Reward** - Pre-paid card accounts earn a 1% reward on purchases after 30 weeks
-  **No Hidden Costs** - Zero card fees and zero monthly account charges apply
